Allah Ta'ala says “verily the Salaah saves one from indecency and bad actions” (An kabut 45) Allah (SWT) has said “Establish Salaah for my remembrance.” (Taha 19) Muhammad (Pbuh) has said “the key to paradise is Salaah” (Sunan Tir Midhi).

Allah Ta'ala himself has ordered the prophet Muhammad, Peace be upon him, “To order his family to Pray Salaah and to remain focussed on it.” (Taha 132) you know how to pray Salaah, so you must teach others to pray Salaah because The Holy Prophet Muhammad ( Pbuh ) has said “convey my message to the people even if it is only one Aayat (Bukhari). Everyone knows that Salaah is must, so no excuse on it. Please ask everyone to pray Salaah regularly. During the time of the prophet Muhammad ( Pbuh ) when a person embraces Islam, the Sahabas would first teach him how to pray Salaah ( Tibrani ). If prayer is missed perform khaza with regret that Allah give me toufeeq not to repeat the same & forgive my negligence. Observe Salaah by keeping a Salaah chart for everyone especially for children. The prophet (pbuh) said. “Be afraid of Allah regarding Salaah & be afraid of Allah (SWT) regarding your subordinates (shobul imaan).
